

SPONSOR & EXHIBITOR OVERVIEW

2022 AKA Virtual Conference

“Pebbles to Pearls: Celebrating 30 years of connection, education, & support”

November 4 & 5, 2022 • Online

Sponsor Exhibitor Overview

This November, Adoption Knowledge Affiliates will bring together adoption and foster care community members from around the country to receive support and skills, gain knowledge from state and national experts, and virtually network with adoption and foster community members (birth / first families, adoptees, adoptive, prospective adoptive, kinship care & foster parents), adoption reform advocates, and professional colleagues.

As a sponsor or exhibitor, you have the opportunity to make connections with attendees who are seeking information and support about services and products that can help them in their personal journeys, as well as enhance their advocacy and professional work. You will have the opportunity to connect with:

- key consumers of all things adoption - such as books, articles, podcasts, retreats, merchandise, home studies, post adoption resources & services, and other consumer services. This is a great opportunity to gain visibility for your product or service on a state and national level directly to your target audience.
- private practitioners that need small business products and services, and other helping professionals, as they discover what's new, what's important, and how to apply the latest best practices in their daily work.
